About me

I am Jefferson, currently pursuing a degree in mathematics. I have a keen interest in programming, geography, and history, and I spend my free time reading about optics and learning Hebrew. My vision for the future is to contribute to and promote the field of artificial intelligence.

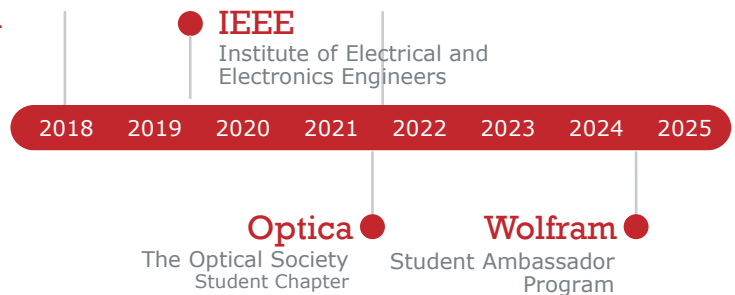

FORMATION

- 2014 ● UEM Oswaldo Lombeyda
Baccalaureate (High School)
- 2018 ● Yachay Tech University
Mathematics (in progress)
